A NOTE FROM THE DIRECTORS:

Dear Parents:

Welcome to our costume reveal for our 2024 presentation of: "ICONIC". This is such an exciting time for our students! We hope you enjoy looking through our costume picks for our spring show.

With great pride and effort, our teachers take quite a bit of time picking out costumes that compliment every child, as well as fit their vision for the performance piece.

Our goal is to have EVERY student feel confident, excited and proud as they take the stage!

We ask that our students, as well as parents and guardians, keep all costume comments positive. It is imperative we are respectful and supportive to ensure an exciting performance experience.

Our door is always open! Should you have any questions, please feel free to reach out to us. We are so excited for our upcoming performance!

**Fondly,
Colleen & Rosanne**
